

CHC30113

Certificate III in Early Childhood Education and Care

Overview

This training program is subsidised by the NSW Government under the Smart and Skilled initiative (eligibility criteria applies).

If you are passionate about encouraging children's education through engagement and learning this program is for you. You will be provided with the skills and knowledge necessary to play a vital role in paving the way for a child's future education.

This entry level qualification is for anyone wishing to commence a career in the early childhood sector or for anyone who has been working in the industry for a number of years who wishes to formally recognise their knowledge and skills.

This qualification is seen as the minimum qualification required for work in the sector according to current industry regulatory requirements.

Students will learn how to provide quality care for children. The program will provide students with the confidence to allow them to assist with children's learning and development outcomes through the facilitation of leisure, play and routine activities. In addition, students will be given the skills and knowledge needed to promote health and safety and adhere to ethical and legal frameworks, whilst developing positive and respectful relationships with children and connecting with their world.

In order to successfully complete the program students must complete work placement of at least 120 hours in a regulated education and care setting catering for children aged 0-6 years. During work placement students are required to work across different age groups of children. The approximate allocation is 40% (0-2 years of age) and 60% (2-6 years of age).

Entry Requirements

There are no formal entry requirements to enter the CHC30113 Certificate III in Early Childhood Education and Care however, it is preferred that students:

- Are 18 years or older (or will be 18 years of age on completion of the program)
- Have sound language, literacy and numeracy skills
- Have basic computer skills

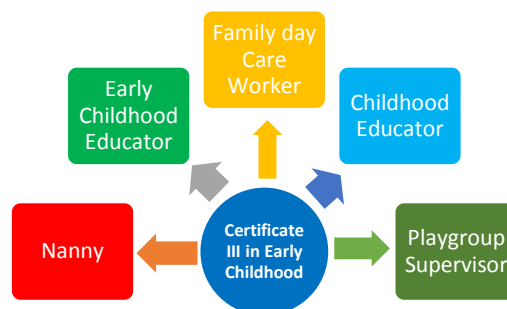

Students will need to undertake a Volunteer Working With Children Check prior to attending work placement. Young people under the age of 18 years working in child related employment are exempt from the requirement for a Working With Children Check (WWCC). However, once they turn 18, people working with children (including trainees and students undertaking a work placement) must have a WWCC clearance number.

Please note, in order to successfully complete the program students must have access to a regulated education and care setting catering for children aged 0-6 years to undertake 120 hours of mandatory work placement. During work placement students are required to work across different age groups of children. The approximate allocation is 40% (0-2 years of age) and 60% (2-6 years of age).

Applicants must be prepared to complete a range of duties related to their study for this qualification. The role of a Childcare Educator can include, (but is not limited to), maintaining a safe, clean and hygienic environment; adapting to using low furniture and be prepared to sit on the floor; coping with body fluids, odours and close physical contact, withstanding high levels of noise for extended periods of time; guiding children's behaviour in cooperation with other staff and parents; have the capacity to supervise children and keep them safe.

Employment Opportunities

Following are examples of employment opportunities that may be available on completion of the program:-

Benefits

- All resources are provided – no additional outlay
- Students will be linked with employment opportunities
- Upon successful completion students will have attained 11 of the 28 units required to further their studies to Diploma level (CHC50113 Diploma of Early Childhood Education and Care)
- Upon successful completion students are issued with a nationally recognised qualification
- Training is facilitated by an industry qualified Trainer and Assessor who is passionate about sharing industry knowledge and experiences
- Supportive learning environment

Further Study

All students who undertake this qualification are provided with advice on employment and training options. Students who successfully complete this qualification could progress their studies to CHC50113 Diploma of Early Childhood Education and Care.

Structure

Classroom Days: 2 days a week – Mondays and Tuesdays

Dates: 25 March 2019 – 27 August 2019 (there will be no training on 22 & 23 April 2019)

Venue: Young Parents Hub, 2A Amy Close, Wyong (except during work placement)

Times: 9.15am to 2.45pm

Work Placement: At least 120 hours must be completed in a regulated education and care service catering for children ages 0-6. Satisfactory completion of all assessment activities including 120 hours+ of work placement are required to achieve the qualification. Work placement will be integrated weekly from week 6 of the program. Undertaking an average of 8 hours of work placement weekly from week 6 will mean that the required 120 hours will be achieved by the end date of the program. Work placement will be completed outside of the classroom training days.

In addition to the above, from week 2 of the program, students will attend a regulated service for 2 hours a week. This will be on a non-classroom day. This will continue from weeks 2 to 5 and this time will serve as a form of induction / orientation, allowing students to observe practice, be involved in routines and routine tasks, work alongside Educators and engage with children.

Self-paced activities: Students are required to complete activities outside of the classroom. As a guide students are required to spend as much time on self-paced activities as time spent in the classroom. The time will be spent completing a variety of activities for example revision, completing practice activities / activities within the issued learner guide, conducting research and preparing for assessment submissions.
