

## VET student outcomes 2019

### ET Australia Central Coast graduates

National Centre for Vocational Education Research

#### Introduction

This report provides a summary of the outcomes of students who completed nationally recognised vocational education and training (VET) during 2018, using data collected in mid-2019. The figures are derived from the National Student Outcomes Survey, which is an annual survey of students awarded a qualification (graduates), or who completed at least one subject and left the VET system without obtaining a qualification (subject completers).

#### Highlights

Of graduates at ET Australia Central Coast:

- 85.7% were employed or enrolled in further study after training.
- 93.8% were satisfied with the overall quality of their training.
- 91.3% would recommend the training and 96.7% would recommend their training provider.
- 92.8% achieved their main reason for doing the training.
