Overview

This employment program is being delivered in partnership between ET Australia and Alino Living. Training will be delivered onsite at Killarney Court, Killarney Vale, one of Alino Living's residences.

Alino Living is one of the largest independent not-for-profit aged care provider's on the Central Coast. They have six residences across four locations on the Central Coast and they are always on the lookout for caring, compassionate and enthusiastic people to join their team.

Onsite facilitation provides hands-on training in a real work environment with a view to employment as a Care Service Employee (CSE) with Alino Living.

Both organisations share a vision in which the entry-level workforce needs to be prepared and trained. This has resulted in a collaborative partnership between the two organisations.

To be considered for employment with Alino Living, students must participate in a CHC33021 Certificate III in Individual Support (Ageing) employment program delivered onsite at Killarney Vale.

The program addresses Alino Living's need for entry-level workers, with employment opportunities offered to the best-suited students throughout the program via their recruitment process.

This is a fantastic opportunity to become part of Alino Living for a rewarding career in aged care with growth opportunities and the ability to make a real difference in residents' lives.

The program is suitable for anyone looking for a rewarding role in a growing sector.

Employees of Alino Living have access to real and meaningful benefits such as above award wages, referral bonus opportunities, access to generous not-for-profit salary packaging, free flu vaccination, free counselling via Employee Assistance Program + more.

Students will learn how to meet the personal support needs of the older person, support their independence and well-being, use safe working practices for direct care work, and will learn how to work effectively in the aged care sector.

The combination of classroom-based learning with at least 120 hours of work placement provides the foundations required to work with aged people.

This is a great opportunity to learn onsite in a facility, getting to know the residents and the staff, and becoming familiar with Alino Living's policies and procedures. It allows students to make an informed choice if an offer of employment is made.

*The training is subsidised by the NSW Government. Eligibility criteria applies.

Entry Requirements

Alino Living's Requirements for Onsite Training

The following evidence must be provided prior to being present onsite for training;

- Current influenza vaccination
- COVID-19 vaccination - fully vaccinated with 3 doses of an approved vaccine
- Criminal history check for volunteer workers

* The Australian Government Department of Health and Ageing requires that any person who provides care within an aged care service must have a police check prior to being present 'on site'. Students must not have previous convictions which would exclude them from working in the aged care sector as outlined in the Aged Care Act 1997 (murder, sexual assault, any other form of assault which has resulted in a sentence of imprisonment or any other conviction which would be considered, on the basis of risk and relevance, to render them unsuitable for a vocational placement in an aged care setting).

Personal and Physical attributes

Students need good interpersonal skills, and a level of maturity and discretion is required for work in the industry. Students will need to be empathetic towards the needs of the frail aged, along with having a passion for delivering high quality care.

Aged care work can be emotionally and physically challenging and is very hands on. Students must have the functional capacity and fitness to perform the tasks and duties necessary to work in the aged care sector. In addition, students must have the ability to perform CPR on a manikin placed on the floor which is necessary for the HLTAID011 Provide First Aid unit. Students who, due to fitness or functional capacity, would place themselves or others at risk of harm or injury would be unsuitable for the program.

Language, literacy, numeracy and digital skills

It is recommended that students have sound digital skills (eg skills to send / receive an email, use the internet for research purposes, send / receive a text message).

Students are required to have sufficient language, literacy and numeracy skills and good communication and interpersonal skills.

Work Placement

All students must be prepared to participate in at least 120 hours of work placement. Work placement dates / times will be scheduled with each student taking into consideration their commitments. At a minimum during the scheduled work placement periods, students must participate in a minimum of 2 work placement shifts per week which can include day / afternoon or evening shifts. PLEASE NOTE, shift times will be aligned to the shift times of the facility.

In order to complete the practical components of this program, applicants must demonstrate a level of maturity and discretion.

Employment Opportunities

Alino Living will be using this program for recruitment purposes. Alino Living, at their discretion during the program, will invite students who demonstrate the skills and attributes they are looking for in entry level workers to apply for positions within their organisation, eg Care Service Employee. Students who are invited to apply for a position will be required to undertake Alino Living's process for recruitment.

Other examples of employment opportunities that may be available on completion of the program include: Accommodation Support Worker, Assistant in Nursing, Care Assistant / Worker, Care Service Employees, Nursing Assistant, Personal Care Assistant, Residential Care Worker.
