

Empower Dreams, Sponsor a Scholarship

At ET Australia Secondary College, our commitment to students is unwavering. We recognise that without adequate support, some of the brightest minds might miss out on the chance for better education. This is where your generosity can shine. By sponsoring a scholarship at ETASC, you hold the power to create a lasting impact that can change a student's life.

Students on the Central Coast face significant financial hardships due to a higher prevalence of low-income households compared to both Regional New South Wales and Greater Sydney, as highlighted in the Central Coast Council Socioeconomic Review. Rental stress is a particular concern, with rates higher than in both comparison regions, placing a growing burden on residents to cover living expenses. This escalating financial pressure on households, combined with a notable educational qualification gap, underscores the urgent need for scholarships. Scholarships can play a crucial role in alleviating the financial burden on Central Coast students, making education more accessible, and bridging the socioeconomic divide, ultimately benefiting both students and the region.

Be the Catalyst for Change

We extend an invitation to you to become an integral part of shaping the future of someone who is experiencing financial hardship. Your contribution can be the turning point in a student's life. Imagine the transformation you can bring to a young mind at ET Australia Secondary College.

Invest in Character, Nurture Potential

Education goes beyond classroom. It's about nurturing character, resilience, and innovation. Your support doesn't just provide financial aid; it nurtures individuals who will shape our society. By sponsoring a scholarship, you invest in the holistic growth of a student who is experiencing financial hardship, enabling them to realise their potential and contribute meaningfully to society.

Be the Change with ETASC

Sponsor a scholarship today and join us in sculpting a brighter future. Your generosity can redefine the trajectory of not only a student's life, but also their family and community. Let's collaborate in transforming lives through the gift of education.

Unlocking Opportunities through Scholarships

A scholarship is more than just financial aid; it's a gateway to possibilities. It eases the burden of school fees, empowering families to dream bigger. Scholarships are available for eligible Years 7 to 12 students. The application process is designed to be accessible, and the majority of applications meet with success.

Secondary College Classes

Years 7 to 10

ET Australia Secondary College (ETASC) delivers a NSW Education Standards Authority (NESA) approved curriculum for Years 7 to 10 students. We focus on a blend of academic and practical education opportunities.

Year 11 and Year 12

ETASC offers six NESA approved HSC subjects to Year 11 and Year 12 students. The subjects have been selected to complement those undertaken in Year 9 and Year 10 to provide continuity in various interest areas. Every subject contributes to the achievement of an ATAR and the HSC.
