School Fee Structure and Policy

ET Australia Secondary College is an independent high school focused on equipping students with the skills to succeed in employment and/or further studies.

School fees cover the provision of a student's education, including all textbooks, access to technology and necessary stationery for the length of the enrolment, and access to curriculum-based excursions.

ETASC school fees do not include costs associated with external providers, the purchase of Seniors Jackets or the cost of tickets to Year 12 Graduation.

The enrolment/administration fee covers enrolment processing, initial Student ID, student locker and processing of transport concessions each year.
